Bernard's Fine Foods & Catering in Glen Head, one of the top markets in Nassau, turns its casual cafe into a linen-tablecloth bistro four nights a week. Start with the grilled vegetable tart or the crab cakes. Then move on to rigatoni with sausage ragu, peas and Parmesan cheese. Main courses range from the sirloin burger with applewood-smoked bacon to roast duckling with blackberries.

The bistro is open Wednesday to Saturday, from 5 to 9:30 p.m.
