➤ Perfection & The Art of Coffee Roasting with Georgio's Coffee Roasters

Monday, Nov. 9, 11:30 am - 2 pm

There are few individuals who know more about coffee roasting and brewing than Georgio. The noted coffee expert travels the world; perfecting his techniques of roasting, locating the finest single origin, fairly traded coffee beans, and finding exotic roasting machines. Georgio proudly supplies all of Bernard's fine coffees in our Café.

Come to Bernard's for a complete coffee demonstration. Georgio will begin by showing the transformation from raw coffee to roasted with his one-pound roaster. This will be followed by a tasting of Bernard's three very popular coffees: **Colombian, House Blend and Indonesian.**

The demo will culminate in an exciting **Siphon Brewing Demo**. The siphon process was started by the French over 180 years ago. Many believe it results in the best extraction of coffee flavors. Let your own palate be the judge as you taste the results from five siphons.

If you are a veteran coffee drinker, or just want to taste some amazing, perfectly brewed coffees, this is an event not to be missed! Georgio will be on hand to answer all your coffee roasting and brewing questions. Put this event on your calendar!
