➤ Perfect Crumbs with Laura & Co.

Now As Toppings & Gluten-Free!

Monday, Oct. 25, 11:30 am - 2:30 pm

If you have not tasted Laura's delicious crumbs, you simply must try them! She is returning to Bernard's for another exciting tasting of her delectable crumbs, in five delicious flavors. Now she is offering them as smaller crumbs as well, which are very tasty as toppings! Another new development is that she is now offering a **gluten-free** version.

As baker Laura of **Laura & Co. Snacks** recalls, "My family, friends and I were always searching for the large crumbs on the crumb cake. I thought how enjoyable, rewarding and satisfying it would be to create individually formed large crumb cake crumbs in a snack size portion. I wanted it to be just the right texture, color and **all natural**."

Laura's Crumbs are made of only the finest quality ingredients. If your favorite part was always the crumbs, this is the perfect snack for you! These delicious treats come in five varieties: Chocolate Chip, Double Chocolate, Peanut Butter, Walnut Vanilla Glazed, and of course, Original.

A perfect treat that's not too sweet! Try the original version, new toppings and now gluten-free.
